Join Us in Building a Brighter Future for Our Communities

Bright Park (Trust) is a beautiful 6-acre wooded land that is open daily as a community park. It runs activities to improve the habitat and biodiversity of the land, runs events and activities on the park that bring people outdoors to enjoy the beautiful place, and uses the facilities and programmes to improve the health and wellbeing of all. Our Forest School educates children and young people to look after the natural environment whilst having fun.

Proudly Celebrated as 'Outstanding' by RHS and Northwest in Bloom.

"I came to volunteer at Bright Park because I was looking for something to do in my spare time. It's one of the best things I've ever done. I have peace and quiet and it's something to look forward to."
